-

Product Portfolio Summary

- **Original QuickStart AI Products:** 10
- **Additional Commercial Products:** 44
- **Total Proposed QuickStart AI Portfolio:** 54 Products

Strategic Recommendation

I recommend positioning the portfolio as a **three-tier product ecosystem**:

- **Tier 1 – QuickStart AI™**: Fast-to-deploy, affordable products for SMEs and startups, generating early recurring revenue.
- **Tier 2 – QuickStart AI Professional™**: Integrated multi-module solutions for growing businesses with more advanced automation and analytics.
- **Tier 3 – TEIS Enterprise™**: The full Terraze Executive Intelligence Suite, delivering enterprise-wide executive decision support, multi-agent AI, governance, and industry-specific intelligence.
